## SOFTNESS OF SEALSKIN.

Is Divided by Human Hair Where  
Dandruff is Eradicated.Sealskin is admired the world over for  
its softness and glossiness; and yet the  
human hair is equally as soft and glossy  
when healthy; and the radical cause of all  
hair trouble is dandruff, which is caused  
by a pestiferous parasite that saps the  
vitality of the hair at its root. Newbro's  
Herpicide is the only preparation that is  
fatal to the dandruff germ. Without dan-  
druff there is no falling hair, but a lux-  
uriant growth of glossy, soft hair is cer-  
tain. Scouring the scalp won't cure dan-  
druff. Kill the dandruff germ. Thousands  
of women owe their beautiful suits  
of hair to Newbro's Herpicide. Sold by  
leading druggists. Send 10c. in stamps  
to The Herpicide Co., Detroit, Mich.

is a very competent instructor and the  
rates are reasonable.Joe B. Jones of Bradford county, a  
bad man, was arrested in Jacksonville  
Wednesday. He had a .38 caliber re-  
volver, a pair of brass knuckles and a  
knife with a six-inch blade.Sol Osteen had a narrow escape from  
death near Bronson a few days ago.  
He was on horseback and chasing a  
cow through the woods, when the horse  
ran against a tree, bruising both horse  
and rider quite severely.Mrs. E. E. Clark of Jacksonville had  
a lively time with a negro burglar who  
tried to rob the Clark home. She tried  
to fire a revolver at him, but it failed  
to go, when the negro tried to disarm  
her. He finally gave up and left the  
house.A well known citizen of Miami, who  
has made an inspection of groves in  
this vicinity, says that he finds condi-  
tions most gratifying. All of the young  
citrus fruit—grapefruit and oranges—  
are in excellent condition and look  
healthy and hardy. The older groves  
are holding their fruit well, and the  
indications are that the crop will be  
decidedly increased in this section next  
season.—Miami Record.

## Cancel All Back Taxes.

Macon, Ga., July 6.—The Macon city  
council relieved all charitable institu-  
tions and a large number of the lead-  
ing manufacturing industries of this  
city of nearly \$100,000 in back taxes,  
after a long discussion. In some in-  
stances this gave concerns taxes as  
far back as 1886, which, if collected,  
would have wrought disaster. All ac-  
counts are now cleaned up and council  
expects to start anew with the char-  
itable institutions and factories. The  
back tax matter has engaged the atten-  
tion of council for six months, and  
there are still indications that the  
question of disposing of such large ac-  
counts by a sweeping vote is not a set-  
tled one.

## Assault Cause Excitement.

Birmingham, Ala., July 6.—The second  
dastardly assault of a negro upon a  
white woman in the vicinity of Bes-  
semer has raised the excitement of  
citizens of that community to fever  
heat and a large portion of Jefferson  
county is filled with scouting parties  
who are searching for the miscreants.  
The second assault was committed  
upon 19-year-old Miss Dickson. May  
Belle Cox, a 13-year-old girl was as-  
saulted yesterday. Deputy Sheriff R.  
S. Gullidge has arrested a man who  
is alleged to have committed the first  
assault. The prisoner is held in the  
Jefferson county jail in Birmingham,  
awaiting identification.

## Strikers' Fund Running Low.

Chicago, July 6.—Union officials ad-  
mit today that the prospects are not  
bright for an increase in the strike  
funds. New York drivers are not in-  
volved, have discontinued to contribute  
a part of their weekly wages. Con-  
tributions from unions affiliated with  
the Chicago Federation of Labor have  
decreased from \$12,000 a week at the  
beginning of the strike to about \$10,000  
a week. Policemen who have been  
guarding wagons were assigned to  
strike duty and are now on their way.

## Impersonated Belmont's Son.

Colorado Springs, Colo., July 6.—  
Registered at a hotel in this city as  
P. P. Belmont, son of August Belmont,  
of New York, a young man has been  
arrested for possessing forged certifi-  
cated checks. The arrest was made at  
the request of Chicago police who re-  
ferred to Belmont as C. F. Winthrop  
Elliot. In Belmont's possession was  
found five certified checks for \$100  
each, four of which were drawn on the  
German-American bank of New York  
and one on the Farmer's Loan and  
Trust company, of New York.

## Feel Impending Doom.

The feeling of impending doom in  
the minds of many victims of Bright's  
disease and diabetes has been changed  
to thankfulness by the benefit derived  
from taking Foley's Kidney Cure. It  
will cure incipient Bright's disease  
and diabetes and even in the worst  
cases gives comfort and relief. Slight  
disorders are cured in a few days. "I  
had diabetes in its worst form," writes  
Marion Lee of Dunreath, Ind. "I tried  
eight physicians without relief. Only  
three bottles of Foley's Kidney Cure  
made me a well man." J. W. McCollum  
of Chicago.

## When Giraffes Have Hard Work.

Those persons who on a hot sum-  
mer day have envied the giraffe his  
long neck because a cooling draft  
"would last so long" when he swallow-  
ed it have probably never stopped to  
think that it has a more practical use  
and that in the giraffe makeup the an-  
imal's neck is sometimes matched  
against its legs. One of the most com-  
ical sights in any zoological garden is  
afforded by watching giraffes browse  
on the grass beneath their feet. Brac-  
ing their long legs awkwardly apart,  
not unlike a boy unused to stilts, the  
animals eagerly strain to get hold of  
the grass, and when it is very short  
they have a hard time. When two or  
more of them happen to stand together  
in this awkward position, their long  
legs crisscrossing each other, they look  
extremely odd. One woman voiced the  
sentiment of most of those who see the  
animals when she said after looking  
at them, "My, but I wouldn't try to  
pick up a \$1,000 note if I were a  
giraffe."—New York Tribune.

## Using a King as an Advertisement.

When the late P. T. Barnum invited  
the late king of the Sandwich Islands  
to his show in the city of New York  
he was not satisfied with that, which  
was itself an advertising card, but he  
managed by advising the king to step  
with him in one of the chariots—so as  
to see better a certain part of the per-  
formance—to bury it up in a moment  
of confusion and sweep the king  
around the entire circuit of the track.  
The papers the next day had a notice  
of the king of showmen and the king  
of the Sandwich Islands in a chariot  
race. He could not have written as  
good an advertisement as the racy  
news item made. It was a neat ex-  
ploit, for, small as the king's kingdom  
was, his sense of his dignity as a mon-  
arch was not small, and only by indi-  
rection and on behalf of a supposed  
different motive could he have been  
induced to become part of such a  
spectacle.
